

Hello

My Name is Stephen Pye

Intent:

To serve as a volunteer on the Board of Directors.

Background:

My wife and two boys moved here from Peachtree city, GA in 2020 for work and realizing our dream of always wanting to live in Florida. The city I moved from was entirely a planned city with HOA driven neighborhoods, so this I am very familiar with many facets of an HOA. When scouting for our new home, my family and I fell in love with Twin Lakes, it is beautiful, spacious and environmentally connected with the neighborhood. We are very happy to be a part of this community and look forward to many more years.

Qualifications:

I have been in management for over 20 years. Starting with managing small locations to multiple locations. Currently I am the Regional Manager of a national chain, with oversight of over 51 store locations and growing. My experience is in Budgeting, HR, Team Building and other business and people related skills. I am also a proud veteran, having served for 6 years in the US Army.

Goals:

I want to bring in new ideas to the community and develop ways to bring us all closer as neighbors. Some of these ideas include new events, improve safety/security, and update architecture guidelines. I also want to ensure we uphold the founding principles that have kept Twin Lakes looking so great for many years, care of the lake and protection of our wildlife.
